BIZ Sustainability Awards

A team made of experts in the sustainability will evaluate and reward companies and individuals who are making a difference and changing the status-quo in their fields and in Romania.

We discover and recognize relevant accomplishments in CSR and sustainability, and we celebrate together with Romanian business champions!

CEOs, entrepreneurs, leaders, creatives, innovators, NGO warriors, young talents – all those who are not afraid to be different and to try new ways of doing things, the ones who will lead the change and spark inspiration, becoming role models for others.

It's time to acknowledge and award those who dared to start and grow successful CSR projects and thus change the Romanian business landscape and community for the better.
