NEUR

Antreprenorii Viitorului is a remarkable event for all startup-minded professionals who want to walk the talk.

Whether you're searching for learning opportunities, inspiration, brand new ideas or a way to make an impact, this event offers you the chance to learn from the best.

From leaders who have translated their ideas into reality: the Entrepreneurs of the Future. Those who propose unexpected solutions and offer more than they ask for. Because they can turn the impossible into possible.

The panel of speakers brings together new wave entrepreneurs who have launched well known innovation-based businesses, and business consultants who help startups and entrepreneurial companies grow and take advantage of local and international opportunities.

The event is addressed to those who want to take the step towards entrepreneurship, to entrepreneurs at the beginning of the road and to all those who want to take the pulse of the new wave of the Romanian business environment.

## Let's discuss about these fresh ideas:

- Crypto revolution or Crypto skepticism?
- Money talks: raising capital
- The era of the Meta hype
- YOLO economy
- Transformational growth & Scalability
- Innovation is here to stay
- The digital nomad life
- Net Zero & Sustainable development
